

# Permit Prep Support

Are you ready to get your permit? Or are you having trouble passing the permit test? While the drivers manual has all the information you need, it can be challenging understanding or knowing what exactly you need to know to pass the permit test. The Family Forward Resource Center has developed a Permit Prep class to assist our clients. We give tips on what to study and teach you the basics of each chapter. We work together to study what we have found to be the most valuable information.

This fall we are starting our 3rd session on Wednesday nights from 6-7pm starting October 26th, 2016—November 23rd, 2016. Our 4th session will be offered during Christmas break Mon-Thurs times are TBD. This is a **FREE** class. Registration and attending the orientating on October 26th is required to participate. Spaces are limited so don't miss out on this opportunity.
